

Board of Directors Posting

Board Members Wanted 2016-2017

Hope 24/7 is an accredited not-for-profit charitable organization with a mission to be the Centre of Excellence for clinical intervention and the prevention of relationship and sexual violence. We work with all persons 12 years of age and older who have experienced trauma. In addition, Hope 24/7 is the designated sexual assault centre for the Region of Peel.

The Board of Directors is seeking new members who embrace change and are eager to contribute to the lives of the populations we serve. They must share the vision, purpose and values of Hope 24/7 and be constructive and creative problem-solvers, able to help the organization thrive in the rapidly-evolving healthcare sector. The board is assisted in its oversight by experienced and effective senior management. Please note a satisfactory vulnerable sector screen is an ongoing requirement of the position.

Experience in the health and social services sectors is beneficial, as is a knowledge of government relations. For 2016/17, the board is particularly looking for individuals with a background in law, such as family or corporate law, as well as those with a demonstrated history of advocacy on behalf of the LGBTQ communities. Prior board experience is an asset, but what we really want are individuals who are motivated to be involved with and contribute to an organization with a strong past and an exciting future! Meetings are held the third Monday of every month in Brampton. Participation on at least one board committee is also required.

Please send a cover letter stating why you are interested in joining the board and how you will benefit the Agency, alongside a current resume.
